

CORRESPONDENCE.

Peck Notes.

The weather is beautiful and the crops are blooming.
Base ball is all the rage here.
A young man by the name of Gibbs formerly from Canada, died on Sunday last at one o'clock of typhoid fever.
A. E. Leonard was home on Sunday and made a short visit.
Mrs H. Thorne is visiting friends in town.
Geo W Savell has just received a new lot of fly nets and dusters which he will sell cheap.

Spring Hill.

Fine weather prevails and farmers are happy. Some are mowing hay today.
T. Martin has the boss piece of corn.
Eb. Smith raised a handsome barn Saturday. It has a stone foundation 4ft high.
We notice a new chimney on F. A. Hill's kitchen which makes it look much better than a tall stove pipe.
C. W. Locke and lady are visiting at F. A. Hill's.
We notice Elder Riley driving a nice span of bay colts and covered buggy. The machinery is ready to be put into our new mill at Fargo.
Mrs A. E. Annis and family have removed to Canada.
Aaron Hill drove by with a new Woods mower from Anderson & Co. Pt. Huron. We like to see our farmers buying new machinery.
More anon, Liz.

Minden Murmurs.

Mrs R. Lamont the wife of our tin-smith and hardware man died very suddenly last week from the effects of a fall. The body was taken to Canada for burial.
The wheat crop has not looked as well for years as it does this season.
Mr R. Lamont has returned from Canada bringing his mother back with him to keep house.
Minden did celebrate the Fourth grandly. Whiskey at the back door and a few stragglers on the front street. Not so bad though, for Minden.
Dr. Johnson read the declaration and orated a little. The Lexington band gave us good music, grand display of fire-works in the evening.
W. McDonald was arrested by Marshal Brown for drunkenness and disorderly conduct last Saturday.
A young couple from Deckerville sauntered up to Parson Bettis' on Sabbath afternoon and were united in Horrible matrimony.
Our Councilmen are asleep. Money in the treasury and no efforts toward a cooler yet.
My girl has gone back on me and I feel sad. Therefore I close this epistle.
SCRIBA.

Capac Chips.

Rev. Wm Bradley once pastor of the M. P. Church of this place has been spending a week visiting old friends in this vicinity.
Carpenters are at work erecting the skeleton (guess that's it) of the new M. P. Church.
And now we hear the never satisfied specimen of humanity—the average Farmer—crops spoiling for some rain and we village people are fain to stand a cloud of dust and summer. Just a little Mr Vennor if you please.
Miss Ida Locke's school in Stoddard dist. closed last Friday with an attendance of 52 pupils.
Miss Nettie Lester is home for a short vacation.
Geo Hunter, Tensorial Artist (ahem) seems to have the share of dimes usually passed over the bar into the rum-sellers till. That's right boys smooth faces and clear conscience will do much toward making noble men of you in the long run.
Dr. D. Paterson has returned from taking a week's vacation in Canada visiting old friends and doubtless making new ones.
Strawberries at 5c and 10c per quart and lots of them, only—the cream is all sour.
Wm. Praker at the P. O. has a nice assortment of stationary etc.
We think it a shame for two great nice looking Jitnams to go out driving together so often, now boys why don't you find some sweet little lassie not out of her teens, to share the fun. It would cost you the price of an extra livery rig, or if you don't care about the expense hire a hand car.
Miss Effie Scott of Alpena was the recipient of a lawn party given in her honor at the home of Miss Frank Curtis on Friday last in which she was amply assisted by a number of our young people.
Business seems quite good considering the time of year, our merchants are kept extremely busy attending to the wants of their customers.
Au revoir, SWEET BRIAR.

PILES.

Piles are frequently preceded by a sense of weight in the back, loins and lower part of the abdomen, causing the patient to suppose he has some affection of the kidneys or neighboring organs. At times, symptoms of indigestion are present, as flatulency, uneasiness of the stomach, etc. A moisture like perspiration, producing a very disagreeable itching, particularly at night after getting warm in bed, is a very common attendant. Internal, External and itching piles yield at once to the application of Dr. Bosanko's pile remedy, which acts directly upon the parts affected, absorbing the tumors, allaying the intense itching, and affording a permanent cure where all other remedies have failed. Do not delay until the drain on the system produces permanent disability, but try it and be cured. Price, 50cents. Ask your druggist for it, and when you can not obtain it of him, we will send it, prepaid, on receipt of price. Address The Dr. Bosanko Medicine Co., Piquette, Ohio. Sold by F. A. Baker.
